

Finnish Cheese Company

Crème De Cheese

Our Cheese Cremes are versatile and creamy, perfect for sandwiches and great in sauces, soups and recipes, too. These Cheese Cremes make it easy to cook up the most delicious dishes, quick and easy. Our Crème de Cheeses are an excellent way to enhance all of your favorite recipes with real cheese flavours.

Our Crème De Cheeses are also innovative foodservice/ industrial products. They are formulated to customers requirements from aged natural cheese to a pumpable consistency designed to meet customers like bakeries requirements wherever cheese is needed.

Can be stored refrigerated with a shelf life of 10 months.

Crème De Cheese is available in a variety of different natural cheese flavours with varying degrees of cheese flavour intensity.

Available in 250g and 1,5kg and industrial packaging.

Available also as Organic!
